

# Hawkes Bay Region Forest Plantation

Date: 11/12/2020

1. The companies that have provided the GIS files are denoted as dark green (Pan Pac Forests, NZFM, FMNZ, Rayonier, JNL, Timberlands, Ernslaw One, HBRC).
2. The light green is plantation from +10 year old data and it's not known who legally owns the land or the trees.
3. There is a large number of private woodlots within the region that is not part of the GIS files provided (i.e. dark green).
